It is routing and last I heard (this morning) it is with Dan. You are next and then on to Mary Jo and the front office. In Dan's defense, he just got it this morning. It took me a bit longer than I wanted to get the cover letter completed and the routing package together. So my bad, but hopefully it will be signed next week.

Chris

Hi Chris,  
Do you know where EPA is in the process of signing this AOC?

Thanks,

Michele

Michele – Mr. Brown and I wanted to let the EPA know that Paul Churchill, District Fire Management Officer for the Francis Marion National Forest, has provided written documentation to Mr. Brown that the USFS has renewed the Wyden Agreement for another five years. Mr. Churchill also provided written confirmation that the Wyden Agreement has been in place between Mr. Brown and USFS since 2012. We can send you this documentation if necessary. Mr. Brown is inquiring as to the status of the Consent Order – will it be finalized by EPA soon? He would like to know that this matter is resolved so he can begin his efforts to undertake the responsibilities in the Consent Order. Thank you.
